

Commodores Perpetual Trophy

Criteria:

The Commodores Perpetual Trophy recognizes the outstanding participation of a Yacht Club throughout the Daffodil Weekend.

The participation assessment is based upon:

- number of boats attending;
- the level of participation in the Friday and Saturday night activities and the Trivia contest (costumes, enthusiasm and scores);
- the overall spirit and engagement of the participants throughout the weekend; and
- the level of involvement in the Sunday Marine Parade.

This trophy is strictly issued at the discretion of the Commodore. For example, if a Yacht Club doesn't finish first in any or all categories but is involved in all aspects of the Daffodil Marine Festival they may be a good candidate.

At the Sunday awards ceremony, the winning club is recognized, and their name is added to the plaque on the trophy and returned to the display case.
