Comments: Our architecturally distinct, two-story New England style clubhouse topped by the traditional "widows walk" is a landmark when viewed from afloat or ashore. Within the Clubhouse are a spacious dining/banquet room with dance floor, Wardroom Bar and lounge area with an indoor fire pit, offices, conference room and restrooms with showers. Adjacent to the main Clubhouse is an auxiliary Quarterdeck building with a large meeting/seminar/conference room and other rooms used for race management and related functions. Additional restrooms and showers are also contained in the Quarterdeck. Although ABYC does not maintain a full-time, full-service dining room, dinners are prepared and served in our professional restaurant-style kitchen on the second deck of the main clubhouse. Comments: Cabrillo Beach Yacht Club was founded in 1932 as a sailing club by a small group of sailboat enthusiasts. Over the years, CBYC has grown steadily in terms of its membership, facilities, and the range of activities offered. Tucked away on the lee (warm side) of the Palos Verdes Peninsula and overlooking LA Harbor, the CBYC clubhouse and marina are situated in the most pleasant micro-climate in the area. Our unique location provides the finest, and shortest, trip to Catalina Island. The winds found in "Hurricane Gulch" provide excellent conditions for sailors of all types of boats, from sabots to sleds and is a frequent venue for many major regattas. The CBYC clubhouse is open five days a week — Wednesday through Sunday. We offer full bar service on those days and also on Monday nights during Monday Night Football season. Our dining room is open Wednesday to Friday and casual food service is available on Sunday. (See hours below) From the water, Cabrillo Beach Yacht Club is located at the end of the West channel of Los Angeles Harbor, just inside LA Light at Angel's Gate.
